MRIRC Philips Achieva dStream 3T MRI Scanner Longitudinal QA report

![Graphs showing SFNR, SNR, and Drift percent over days (2017-2018).](image)

- SFNR: The graph shows a trend over days with both mBIRN1 and mBIRN2 lines, indicating stability or change in SFNR over time.
- SNR: Similarly, the SNR graph also presents data over days, with lines for mBIRN1 and mBIRN2, reflecting changes in SNR.
- Drift(%): The Drift graph displays percentage drift over days, with lines representing mBIRN1 and mBIRN2, showing trends or patterns of drift over the specified period.
